

Biography

Genevieve Reinke: born in Port-Louis, Mauritius, married, two children

1958-1972: Primary and Secondary Education: Champ de Lort School, Bhujoharry College

1973-1979: Advanced Study: University of Kiev and University of Charkov

1981-2016: Environmental Chemist, Scientist, Senior Administrator, Project Manager

Since 2012: Art Painting

I obtained a MSC in Chemistry at the University of Charkov in 1979, Ukraine and since then, I have worked as Environmental chemist, EU Project Manager, Grants Senior Officer in Germany until 2015. I retired from formal duties in 2017 .

In 2012, during a sabbatical, I chose to develop my knowledge, skills and interests in Art Painting. I continue to practise and perfect my skills in art painting to date and have now published my works at <https://Mypaintings.eu>
